RE: Approval- Disposal of RA28 Waste in OSDF

Dear Mr. Reising:

Ohio EPA has reviewed DOE's May 23, 2000 submittal on the "Request for Disposal of Removal Action 28 Waste in the On-Site Disposal Facility". Based upon the information provided in the submittal it appears the material is not "Legacy waste" and therefore is eligible for disposal in the OSDF. The waste must comply with all applicable Waste Acceptance Criteria as determined by WAO before placement disposal in the OSDF.

If you have any questions, please contact me at (937) 285-6466.

Sincerely,

Thomas A. Schneider
